

Our goal at FOX 11/CW 14 sales is superlative customer service *and results*.

Let's face it, marketing is more complicated today. In order to help you navigate the many (many) options, FOX 11/CW 14 will put you in contact with one of our Multimedia or Digital Sales Executives, who can guide you through some of the *touchpoint* decisions you need to make. We have experience with multimedia and know what has worked (or not) with our clients. We will be completely transparent, monitoring performance together. As we review results we will make recommendations to insure you receive optimum results on your goals.

To start exploring your multimedia options with FOX 11/CW 14, you may contact any of the following individuals:
