FOR IMMEDIATE RELEASE

GREEN BAY, Wis. (Sept. 24, 2011) – The following statement was issued today by the Allouez Cemetery:

On Sept. 23, an employee of the Allouez Cemetery noticed that an item of value was missing from a casket that was being prepared for entombment. The employee immediately reported the incident to the cemetery administrator. The incident was then reported to the Brown County Sheriff's Department. After investigation by the authorities, with the assistance and cooperation of the cemetery administration, the item was recovered and returned to the family. Final entombment was completed Saturday. The arrested employee has been placed on unpaid administrative leave, pending completion of the investigation.
